Important Notes

1. To be completed by Contractor seeking registration as an approved contractor.
2. The questionnaire must be completed in full and be signed.
3. A company profile may accompany the registration form but will not be accepted as substitute for the application form – all fields on application form **MUST** be completed by applicant.
4. Applicants will be contacted via email & phone and must therefore submit an operating mail & contact number; failure to comply will result in excluding the contractor from the data base.
5. It should be noted that the Besten reserves the right to accept or reject any application.
6. Contractors must comply with all the registration-criteria for registration to be finalized - failure to do so may result in the application being declined.
